S-E-C-R-E-T 25X1 Wolfgang Stuedemann Riedel or Redel (fnu) 25X1 Westphal (fnu) 25X1 A projected plan for winding up the transfer of the enterprise to the shipyards; according to this plan, the production and construction departments are to be subdivided into large construction, small construction, and miscellaneous, and were to be distributed during May and June 1955 among the various shipyards, as follows: Large Construction Offices: Neptumwerft Warnemuende Wismar Stralsund I (Volkswerft) Stralsund II (Ship's Repair) Boizenburg. Wolgast Small Construction Offices: Fuerstenberg Oderberg Koepenick Brandenburg Rosslau Rothensee Rostock-Bramow (Fischkombinat Rostock) Miscellaneous Production Sections: Uebigau Schalttafelwerkstatt(switchboards) Gravierwerkstatt (engraving) The construction bureaus will also be subdivided; the construction groups which are already located in shipyards will be transferred to production departments; the remainder will be transferred to the Central Construction Bureaus at Wolgast, Koepenick, and the EAW "J.W. Stalin" Berlin-Treptow, in June and early July 1955. Personnel will be transferred with their departments.
